

**Millifore – Kaleidoscope Workshop
Presented by Cathy van Bruggen**

April 22, 10 a.m. to 3:30 p.m. – Yorba Linda Presbyterian Church

The kit is \$20 and includes the pattern, handouts and papers for piecing the block. You must buy your own fabric.

It will be fussy cut and you should have enough to make 12 repeats. Cathy emphasized that you will need good contrast and blenders that contrast with both the light and the dark "fussy cut" pieces.
