

March Madness

is just around the corner

To refresh your memory, March Madness is a regular meeting with the normal agenda. You may return your Opportunity Quilt tickets, buy tickets for the Spring Luncheon and return library books

The only change is during what would be the normal speaker's time. We play some games as a little fundraiser and take time to get to know each other a bit better. Play one or play them all-

Bingo- 3 games with 6 winners which will be \$10.00 to play. Rita's themed baskets will be the prizes.

Left, Right, Center-15 Charms (5" squares) We have the Charms for \$5.00 to play-winner takes all the Charms in the center.

Guess How Many in the Jars game-This is free to play-Closest guess to actual number wins a prize.

A "just for fun" word search-free and is printed on the second page of the program which will be near Laberta as you walk in the door.

By popular demand-**The Let's Make a Deal table** is back-You decide how much an item on the table is worth, make a donation for the item and take it away. A good place to find gadgets, books, patterns and large or odd shaped things.

Hope to see you Monday night, March 25.
