

Block of the Month 2025-2026 Rules

Exciting new blocks are coming! Below are the rules for BOM for 2025-2026 Guild year.

BOM will occur in the months of October, January, February, March, April, June, July, August, and September. It will be dark in the months of November, December, and May.

BOM instructions and a sample will be shown at the monthly meeting for **next month's** BOM. To save on making paper copies, the instructions will be emailed to all registered guild members during the week following the monthly meeting or the first week of the month. The instructions will also be included in the monthly newsletter and posted on the website.

Each Guild member can make from 1 to 5 BOM blocks each month. Blocks are turned in at the corresponding monthly meeting. Each block turned in will get 1 ticket for the block distribution. After the guild meeting break the BOM's will be distributed to the winning participants. The number of winners will depend on the number of blocks turned in. If multiple winners are determined, then the winners will divide up the blocks as they choose.
