Presidents Message

February always seems to go by in the blink of an eye - maybe that's because we only have 28 days to pack in what we normally do in 30! My month is packed with appointments, Valentine's Day, a bit of travel, get-togethers with friends and, topping it all off, it is my birthday month. That's a lot to ask of a small month!

Our guild is also busy this month with all that is going on. We have started on this year's Challenge quilts, there is a new Block of the Month, there is always philanthropy sewing along with all those personal projects we are seaming away at in our sewing studios. We have a trunk show by Pam Hadfield this month and she is also doing a workshop on Whimsey Dresdens. Pop over to her website to check out the project and sign up with Doreen Job. This looks to be a good one.

Don't forget we are having a fabric sale before our meeting this month - great bargains to be had at only \$2.00 a yard.

Mark you calendars for our meeting on the 28th - it will be here before you know it!

Please remember that Placentia Presbyterian still requires us to be masked during our meetings and that there be no food or drink. We will certainly let you know when this policy changes.

Loretta Beaumont

The sale will be held at the Presbyterian church PRIOR to our general meeting on Monday, February 28th.

PLAN TO COME EARLY – bring MONEY – and take home some BEAUTIFUL BARGAINS.

Hope to see you there!!

Everybody loves a Raffle!

The Music Box Lithograph #378/1000

Measure 33 x 28 " Value is approximately between \$250-330

The artist of the original painting is Fred Fellows. Fred has a long family history with the Old West and Buffalo Bill's Wild West Show. This influenced his art. He is a founding member of the Cowboy Artists of America. He was kind enough to put a music box and a quilt in tis picture.

This lithograph was donated to the guild in 2021. It was brought to the last meeting and a survey of the members present suggested we have a raffle. It will be at each meeting until the drawing.

Tickets are \$5 each and the drawing will be at the August meeting.

Please tell your friend.

Challenge Quilt

It's been awhile since our guild has been involved in a Challenge Quilt project, but now THE CHALLENGE IS ON!

Here are the highlights of what's to come:

Each participant will be making a quilt star medallion which will measure approximately 36" square.

From that point, the participant's challenge will be to finish her star medallion using her creative, "quilty" ideas.

The quilt can finish at any size the creator desires. For example, the maker could set the medallion on point, and/or add multiple borders, triangles, flying geese, prairie points, etc.

All finished quilts will need to be turned in at the July meeting, or delivered to Rita's home no later than August 15th.

After the display and judging at the August meeting, the maker will have 2 choices -

- 1. She may keep her quilt or,
- 2. Donate her quilt to philanthropy in exchange for a \$10.00 Orange Quilt Bee gift card.

Kits for the quilt star medallion will be on sale at the January, February, and March meetings. The cost of the kit is \$5.00. You will receive enough fabric to make the medallion and have some left over for use in finishing your quilt when combined with fabric from your stash. Kits will be purchased sight unseen!

To preview the quilt star medallion, you can watch it being made on Utube by googling "Star Bright". Our medallions will be made using 9 $\frac{1}{2}$ " squares, rather than what is shown on the video.

I'll be bringing a sample to the January meeting for you to see. I hope you will choose to participate. In MARCH, we will have a fun sew day at the Yorba Linda Presbyterian Church for those who want to gather for a quilt star medallion day of sewing. This will be a free day of sewing for those who wish to participate. Sign up with Doreen Job at the workshop table.

THE CHALLENGE IS ON!
