Presidents Message

Greeting and I hope everyone is getting ready for a wonderful Thanksgiving holiday.

Coming up right away, on Monday, November 28th, is our wonderful annual Jingle Mingle! This is one of my all-time favorite Guild events each year. It is going to be a very delightful time filled with good food and fun entertainment by Philip Parke. Please invite family and friends to join us. This year's theme is STARS! A big thank you to Joanne Burkhart, Trudy Teshima, and Susan Lee for organizing this special event. Also, a special thank you to Betty Ann Lawson for getting Phillip Parke to dazzle us with his talent.

Helene Born has volunteered to chair the 2022-23 Opportunity Quilt! Thank you, Helene! Tickets have been printed and will be ready for members to pick up at the November meeting! All members will need to sell or purchase \$25.00 worth of tickets. The proceeds will support our guild activities, philanthropy, wonderful workshops and speakers, and more.

We have a wonderful line up of workshops for 2023! Tina Hawbaker will have sign-up sheets available for upcoming Guild sponsored workshops. We will be starting off our year in January with Arlene Stevens who will be presenting on the California Heritage Quilt Project. The first workshop will be in February, featuring Rose Rhoads who will be teaching on the fun project of "Round about Stars" bed runner. Don't forget to sign up for this wonderful workshop at our November meeting.

There will be just a small bit of guild business to take care of during the meeting as we need member approval for this year's budget. The budget has been published here in the newsletter for your review before we vote at our November meeting.

Just a reminder, we will not be meeting in December. Have a wonderful holiday season with many blessings to you and your family! Happy Thanksgiving!

Happy Stitching,

Co-President, Debi Hanna

Philanthropy

The October meeting was an amazing success for the beginning of this next year's philanthropic efforts. Thank you for all of the donations: 10 quilts, 12 pillowcases, 77 Christmas stocking.

For this Christmas season we will have an approximate total of 470 stockings to distribute. Huge thank you to all of you who contributed. Will try to take pictures when they are donated.

Fabric Sale provided the guild with a generous \$155.

At the next guild meeting we will be accepting all donations from the guild members but we will not be bringing any kits because it will be our Jingle Mingle celebration.

MARK your calendars: the next sew-in is Thursday December 1st from 10AM to 3 PM

Yorba Linda Presbyterian church: 19301 E Yorba Linda Blvd, Yorba Linda.
We have all kinds of projects for you to choose from – all the way from complete quilt kits – to simple strip kits and adding borders to an existing quilt to make it larger in size.

Come when you can – leave when you must. BRING YOUR LUNCH and your sewing supplies.

Philanthropy sewing dates are: December 1. January 26, 2023, February 23, March 23, April 27, May 25, and June 22

Speakers and Workshops

Our November meeting is all about holiday fun. There is no speaker or workshop this month. But don't worry there will be lots of fun activities

Our next meeting will be in January. We have Arlene Stevens from the California Heritage Quilt Project coming. She will be sharing with us the work that her organization does to record California quilts and quilt makers. They also work to increase public awareness and appreciation of quilts, and to encourage interest in making quilts. There is no workshop in January.

Our list of upcoming workshops is now out. Please take a look at the sign-up form in this newsletter and see what catches your eye. It's never too early to save your spot!

<p>This quilt was made by Pat Auhart (1932 – 2002) who lived in Wooster, Ohio. She had six children. The quilt was being sold by a woman in Fullerton who was selling a few things on a card table on the grass. She was asking \$20.00 for the quilt. I would love to have it on my bed, but I have a cat. It has never been washed and is in perfect condition. I have forgotten if the seller was one of her children.</p>

<p>The piecing went fast. The quilting was a nightmare! I split the batting to make it easier to quilt on my home machine and started with free motion quilting, which looked horrible. So I ripped it out and started straight line quilting with my walking foot. I couldn't keep the lines straight! So I ripped that out and finally decided to stitch in the ditch with invisible thread. Phew!</p>
