Presidents Message

Happy Thanksgiving! As always, it is the perfect time to take a breath and count my many blessings. It is quite a long list that always begins with the gift of good health - such a precious commodity in these days. My list this year also includes a first grandson and enjoying my life as a retired school teacher. Since retiring in June, I have been spending a few hours most days in my sewing room piecing, sewing, and quilting to my heart's content. Give me a good podcast and a rotary cutter and watch me go!

I hope your gratitude list is long this year and you will have the joy of a family gathering this Thanksgiving.

With Thanksgiving nearly here, that means Christmas is peeking around the corner and we are launching that celebration a wee bit early with our Jingle Mingle on November 22. We encourage you to put on that red hat and those beards and braids as we head into the merriest of holidays. There will be raffle baskets and other merry mischief as we mix and mingle.

There will be a bit of guild business to take care of during the meeting as we need member approval for this year's budget. The board has worked hard on the numbers and it has been published here in the newsletter for your review before we vote at our November meeting.

Also, the library will not be open at the November meeting and we are still required to wear masks and have no food or drink in the hall. I do hear, however, that the Gnomes will have a sweet treat for you to take home and enjoy.

Now I have to go and figure out my gnome regalia....See you on the 22nd!

Cubby Hole Blocks for Habitat for Humanity Philanthropy

Five twin size red and white Cubby Hole block quilts are nearly completed. That equates to just over 1000 little blocks turned in! The families moving into their new homes will love them!

A special thank you to Mary Lou Ripper for her generous gifts of a pastel twin top, an adorable twin size "little houses" and a sofa throw traditional red and white house quilt, both quilted, bound, and labeled and ready to gift! You are so generous, Mary Lou. Thank you!

Thanks to Dona Willson for sewing blocks together and for stitching the bindings. Every stitch, lovingly made, helps create these quilts which will be blessings to these families.

I am currently working on the queen size quilt which has the black/white, brown/white and purple/white Cubby Hole blocks. Keep making them! Linda Bennett sews these little pieces together as "Leaders and Enders" ala Bonnie Hunter.

I'll share when the quilts will be presented to the families so, if interested, you can be present.

Door Prizes

At my first meeting as Door Prize chairman, I goofed...I forgot to write down the names of the winners. Sorry, I'll do better in the future. In addition to Fat Quarter bundles from our Guild stash, we received two gift certificates for The Quilt Bee and one gift certificate for Mel's Sewing Center. If you received a gift certificate, you also received a thank you card to send. We are very grateful for the support these stores give our Guild.

If you have note cards that can be used for Thank You cards that you don't want, I will gladly take them to attach to future door prizes. Also, if you have pretty ribbon you no longer want or need, I could use it for the Fat Quarter bundles. Please bring to the meeting or give me a call and I'll pick them up. Thank you.

This years Opportunity Quilt.....

“Betty’s Legacy”

Introducing our 2021-22 Opportunity Quilt, “Betty’s Legacy”, a 70” x 70” collection of bright and modern fabrics, a medallion style quilt surrounded by birds and fun geometric shapes. This quilt has beautiful and playful machine embroidery embellishments. Be sure to look at it up close and personal at our November meeting!

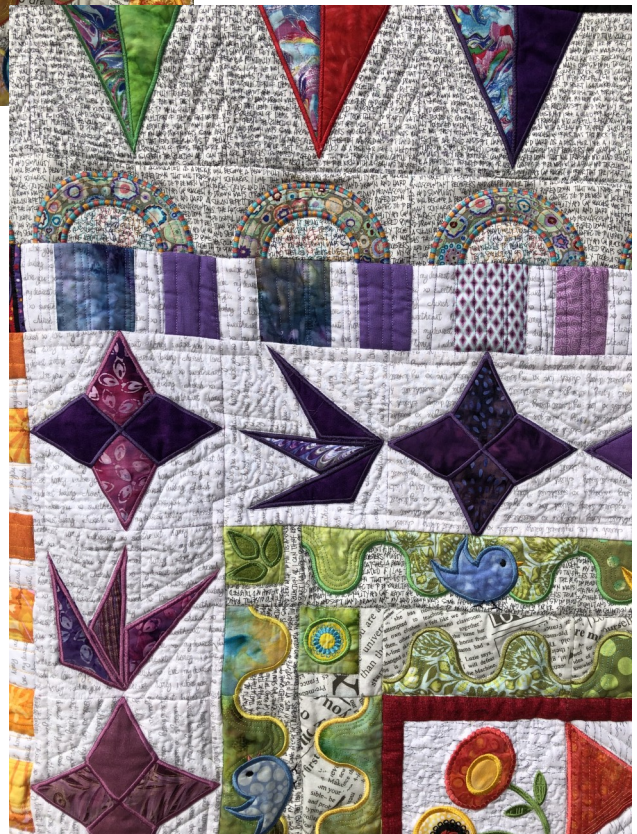

This beautiful work of art was made by our NCQG member, Betty Getchell who passed away earlier this year from cancer. Betty was a prolific quilter and machine embroidery enthusiast and was very kind and generous to NCQG. We honor Betty in selecting her work for our Opportunity Quilt this year.

Our annual Opportunity Quilt is our major fundraiser and we ask each of our members to buy, sell, or gift, \$25 in tickets, and more if you can! The ticket packets will be available at our November meeting in time to enclose them in your holiday greeting cards and friend/family Christmas stockings! The winner will be drawn in September 2022!

Your support in this fundraising will help keep our membership dues at it’s bargain rate! The funds go towards our entertaining and educational speakers/workshops and will support our vivacious and prolific philanthropy efforts which bring much love and joy to so many.

UFO Challenge

Do you have any projects that you've started and haven't quite completed yet? Here is a fun challenge for you. Sign up for the Guild's UFO Challenge and complete 5 projects this upcoming year. All you need to do is complete the UFO entry form with the names and descriptions of 5 projects that you would like to complete and turn it in with a \$10.00 entry fee (for prizes and supplies). Mail the entry to me, Anna Lee 1224 W. Primrose Drive, Orange, Calif. 92868 or, if we have any live events, you can give it to me there. Entries are accepted right up to the last turn in at the general meeting September 26, 2022. Forms will be in the newsletter and at the UFO table at the monthly meetings.

You will receive a participation ribbon upon my receiving an entry form. If the form is handed to me in person, you will receive your ribbon then. If through the mail, I will contact you as to where we can meet so that you may receive your ribbon. There will be five turn-ins from January to September 2022.

When you submit a "completed" UFO (that means it has been quilted, bound and has an affixed label) by email with photos or at a live meeting, we will put in a ticket for that night's turn-in prize drawing and you will receive your first 'turn-in' button. This will happen with each UFO you have turned in. Turn-in months are January, March, June, July, September and online turn-ins should be submitted by the Friday before the meeting. There is no limit as to how many UFO's you turn at a time. At the last turn-in, there will be a drawing for everyone who has completed any UFO and a final drawing for those who have completed all 5 UFO's.

Wall hanging called Jumping for Joy the quilt was designed and made by her mother in 2011. It was in the Long Beach show and it toured for two years. I am proud to own it now.

Yellow, white with applique & beading, this quilt was made by my great grandmother Myrnie. Probably made in the 1920's or 1930's It was quilted by patience at the Massillon Ohio Mental Hospital, where her friend was a nurse.

Holly Lopes, light yellow and white feedsack fabrics, another top made by my great grandmother Myrnie, possibly made in the 1930's.

Red and white houses, the blocks were found at a guild sale, I finished the quilt. It was quilted by Diana Beachamp and is being donated to Becky Sproll for Habitat for Humanity Charity.

Small multi-colored houses, this was a friendship group challenge/exchange quilted by Cindy Kruze and is being donated to Becky Sproll for Habitat for Humanity Charity.

Pattern Stars Upon Stars by Edita Sitar Designs, this was a challenge, I threw it away twice, left it as a UFO for a while then after much un sewing and re sewing I finished it off and sent it to a new quilter who used the wrong thread color among other things.

The pattern was Shoreline Cabin, my inspiration came from my collection of scrap strips, they were cut and ready to sew and so was I! It was quilted by Cindy Kruze.
