A Publication of North Cities Quilt Guild

Monday October 23rd  
Meeting begins at 7:00pm

## October: Kathryn Pellman

### Dates to Remember

- October 23—Guild Meeting
- November 27—Guild Meeting/Jingle Mingle
- November 28—Workshop

Kathryn Pellman is an artist, fashionista, quilter, cook, baker, gardener and storyteller. She is known for her whimsical series of small, playful, single frame cartoons featuring long limbed and knobby kneed Fashionistas that invoke fashion illustration. Commercial fabric is her paint; thread is her ink and the sewing machine her pen. Her quilts have a strong connection to traditional quilting including the sandwiching and stitching of three layers together.

In her lecture Kathryn will share how she uses Fashionistas mixed with some Word Salad to combine her passions of fashion and quilting to celebrate and explore the world of women and femininity, their lives, friendships and romantic relationships, real and imagined.

Kathryn is a Juried Artist member of SAQA (Studio Art Quilters Association), has a Certificate in Fashion Design and has been sewing since she could thread a needle. She lectures and teaches both nationally and internationally including Festival of Quilts, Birmingham, England and Quilt Festival Houston. Kathryn is the author of *Word Salad*, *Fashionistas* and *Girl-friends* and the coauthor of *Backart -- On the Flip Side*. For more information about her and her work check out her website: [www.kathrynpellman.com](http://www.kathrynpellman.com)

# Presidents Message

It is with excitement and anticipation that we enter into 2023-2024 year for North Cities Quilt Guild. I am very grateful for the officers that will be serving you this coming year.

First Vice President: Susan Lee

Second Vice President – current programs: Doreen Job

Second Vice President-future programs: Jill Patterson

Secretary: Dora Luz Arroyo

Treasurer: Mary Fitzgerald

It takes many members to lead various committees. I am very thankful for the expertise and dedication of the ladies that keep this guild working. Debi Hanna helped me along my yellow brick road when I was preparing for the Springtime Gala. In addition, I thank Paulette Fletcher for always being at my side. When I needed help, she was right there, taking over the job the day of the event, in my absence. To All the Ladies that keep this guild like a well-oiled machine. To EACH AND EVERYONE OF YOU I SAY THANK YOU!!!!!!

Many of the members of the Board and the Committees are already working together. Thank you, Helene Born for taking the Opportunity Quilt “this a way and that a way” to show and sell tickets. Good Job Susan Lee and Paulette Fletcher for helping show the Opportunity Quilt and doing sales of tickets outside Orange County. All of you ladies are helping by purchasing and selling the Opportunity Quilt tickets. I hope that this next year is even better.

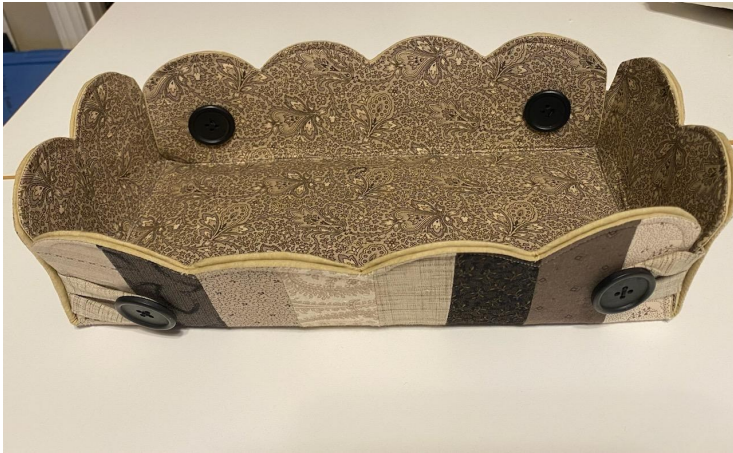

Helene Born has been very dedicated and acquired January 18. 2024 at ROAD TO CALIFORNIA. North Cities Quilt Guild is showing the Opportunity Quilt and selling tickets at this event. Please help support Helene. It is a requirement to help white glove and she needs people to do ticket sales for the Guild.

There are several open committee positions which may be something you can help do. There is an opening for Parliamentarian and Public Relations. Please see me if you are interested.

I hope you all get involved, take classes, take the Opportunity Quilt to other events. Just Do It!!! Enjoy yourself. Remember.... Fabric Sale in October

# November Workshop

Rita Jones and Pattie Rainey are joining forces to provide our members with a fun and exciting November Workshop! For part of the day, Rita will be teaching us how to make a cute little basket. (see picture). After you make one, you will want to make more for your friends and family, as they make lovely gifts. Pattie will be teaching us how to make these little pumpkins (see picture) from items she collects.

**Workshop Day/Date and Time:** Tuesday, November 28<sup>th</sup> 10 a.m. to 3 p.m.

**Location:** Yorba Linda Presbyterian Church, Located at Palm and Yorba Linda Blvd.

**What to Bring:**

Your lunch and your sewing supplies. You should have an open toe on your sewing machine. (I made mine on a featherweight, so nothing else is needed.)

A Supply List will be provided when you sign up.

**Workshop Cost:**

\$35 fee for workshop and \$15 fee for supplies.

We have purchased enough supplies for 12 attendees. Our interest list is at 9. Those on the interest list will need to sign up and pay also. Everyone who wants to attend should be sure to bring their money and sign up at the November meeting. The workshop is not currently listed on the website, but, keep checking back to see if that will be an option.

If more than 12 ladies sign up and pay by the end of the October meeting, additional names will be placed on a “wait list” and we will try to order more supplies.

Hope you have the day free to join us. It will be a fun and relaxing day to enjoy each other’s company and maybe a left-over turkey sandwich?

## Block of the Month 2023-2024 Rules

BOM will occur in the months of October, January, February, April, June, July, August, and September. BOM will be dark in the months of November, December, March and May.

# NCQG Bits & Pieces 2023-2024

A great way to use up those scraps, especially your 2 1/2" strips. Participate just one month or every month. Months we are dark you can also make blocks and turn them in the month before or after.

Make 7 blocks. One to keep and 6 to exchange. Use white OR white on white fabric for the background and medium to dark print for the spools.

## Calico Spools

This makes a 6" finished block !

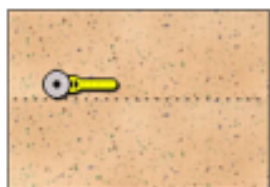

Please abide by the [Terms and Conditions of use!](#) :o)

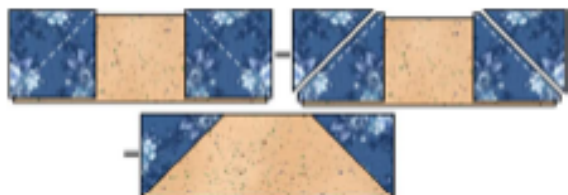

### \*\* Preparing the Pieces and Sewing the Block \*\*

Cut the Color 1 2-1/2" x 10" strip into four 2-1/2" squares...

Then cut the Color 2 5" x 6-1/2" rectangle into two 2-1/2" x 6-1/2" rectangles...

To make the side units, place a Color 1 square right sides together atop the left and right ends of a Color 2 rectangle, with outer edges aligned. (I show them staggered here just so you can see what fabric pieces I mean) On the back of the squares lightly mark the diagonal. Sew ON this diagonal marking. Cut off the excess seam allowance. Press the remainder towards the triangle. Make two of these. They should measure 2-1/2" x 6-1/2" when completed...

Now lay out all units as shown at left. Stitch together using a scant 1/4" seam. Press seams to center, and you are all done! Nice and Easy! :o) ...now on to [Page 2!](#)
