Presidents Message

It has been my honor and privilege be the President of North Cities Quilt Guild this past year. There were so many unknowns heading into the resumption of in-person meetings with COVID still looming over our heads. I am still in awe of the previous Board keeping our Guild together and navigating ZOOM during the lockdown year. We have emerged and found our groove once again by joining in fellowship, learning, and laughter centered on this craft we all love so much.

Thank you all for the encouragement and support you gave me this last year - it was not a solo effort and I have many to thank for the hard work put in to get us up and running again. The Executive Board went over and above making sure we stayed true to our ideals and our Committee Chairs made sure our fun meters were running and our community service continued.

This month I turn the Board over to our new Co-Presidents, Debi Hanna and Kim Beckley. I know you will give them the same gift of grace you gave me. Joining Debi and Kim on the Board are:

First Vice Presidents: Joanne Burkhart, Susan Lee, Trudy Teshima

Second Vice President, Current Programs: Tina Hawbaker

Second Vice President Future Programs: Jill Patterson

Secretary: Dora Luz Arroyo

Treasurer: Mary Fitzgerald

There are still Committee Chairs open - we would love to have you take an active role in the Guild!

After the September meeting, I will be off to explore upstate New York and Pennsylvania for a couple of weeks to see the fall colors, Niagara Falls, and all the quilting and yarn stores I can sneak in. I do love a road trip!

Thank you one and all for a terrific year!

Loretta Beaumont

President

August Patchwork Star Bios

Every August, North Cities Quilt Guild features mini-trunk shows by three of our own: The Patchwork Stars!

These three talented quilters presented a range of quilts and styles and told their stories of how they became the quilters they are today. This year's Patchwork Stars:

Paulette Fletcher

Paulette was born at the Women's Naval Hospital Coronado Island, San Diego. She went to high school in Norwalk, and graduated from Cal State Dominguez Hills where she received her MSN in nursing. She is now happily retired. Her quilting adventures began when her mother gave her some Japanese fabric when she could no longer sew, and requested a quilt. After that, she began taking classes at Calico House. Her favorite thing about quilting is how you making models with wonderful fabric and the outcome is different each time. Her least favorite thing about quilting is ripping out and resewing (we hear you sister!) She loves to have Jelly Beans and Diet Dr. Pepper at her side when whipping up her amazing quilts and her sewing superpower is not being afraid to try new things!

Tina Hawbaker

Tina was born in a small farming town in Nebraska and her family moved to California when she was in high school. She has a BA in Child Development from Cal State Fullerton and runs a childcare center in Los Alamitos for infants and preschoolers. She learned to sew in 4H classes and in Home Ec but dove into quilting when she became a babysitter for Debi Hanna while Debi took quilting classes. As their friendship grew, Debi taught her how to quilt. Her favorite thing about quilting is English Paper Piecing and binding by hand - she finds hand work therapeutic. Cutting, however, is her least favorite thing and now she always buys extra fabric just in case of error (she even purchased an Accuquilt machine to help). She nibbles on peanut butter pretzels as she zips along with her sewing. She also recently purchased a long arm machine and is working on her free motion skills. Her sewing superpower is playing with colors and picking out fabric (people often compliment her on her choices), She wishes her superpower was in the organization and completion of projects - something we all can relate to with Tina!

Peggy Ochoa

A Canadian by birth, Peggy was born in Nova Scotia Canada and was move to Whittier and its warmer climes by her father who was tired of shoveling snow. She has dual American and Canadian citizenship. She was a full-time Mom and began taking quilting in a Whittier Adult Ed class and completed her first quilt in 1975. From there she went on to winning first prize at the LA County Fair in 1980, taught quilting at the Santa Fe Springs recreation department. That convinced her to return to college and get, not only her bachelor's degree but go on to earn a doctorate in English from USC. She taught literature and writing classes at Cal State Fullerton until her retirement in 2020. Her favorite thing about quilting is choosing colors and planning layouts. Also, according to Peggy, finishing a quilt give a better feeling of accomplishment than doing housework (couldn't agree more). Her least favorite - making the quilt sandwich on her dining room table. Peggy's quilting superpower is accuracy in piecing. She love the geometry and math that goes into the planning and layout of each quilt. Applique is a secondary superpower for Peggy!
